Section 8: Separate Entities with Multiple Tax ID Numbers

Only complete this section if you have separate entities with multiple Tax ID numbers.

Group size for groups under common ownership is determined based upon the total Full-Time Equivalent Employees (FTEs) for all entities. Please check if any of the following conditions apply:

- This group owns another entity
- This/These groups are owned by another entity
- This group is one of multiple groups that are owned by the same entity/entities

If any of the above conditions apply, tax documentation certifying that at least 80% common ownership must be submitted. Acceptable tax forms are (1) IRS Form 851 (Affiliations Schedule) with names of all entities or (2) Schedule K-1 (IRS Form 1065).
