Medicare Advantage Plans with Part D Prescription Drug Coverage

Independent Health's Medicare Passport® Prime (PPO)

January 1, 2022 – December 31, 2022

SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the “**Evidence of Coverage**.” You can also see the Evidence of Coverage on our website, <http://www.independenthealth.com/medicare>.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **Independent Health's Medicare Passport Prime (PPO)**).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Independent Health's Medicare Passport Prime (PPO)** covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on <https://www.medicare.gov>.
- If you want to know more about the coverage and costs of Original Medicare, look in your current "**Medicare & You**" handbook. View it online at <https://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

Who can join?

To join **Independent Health's Medicare Passport Prime (PPO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and you must live in our service area. Our service area includes these counties in New York: Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Niagara, Orleans and Wyoming.

Which doctors, hospitals, and pharmacies can I use?

Independent Health's Medicare Passport Prime (PPO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, your costs may be higher for covered services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider and pharmacy directory at our website (<http://www.independenthealth.com/medicare>).

Or, call us and we will send you a copy of the physician/provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and *more*. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, <http://www.independenthealth.com/medicare>.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage, Coverage Gap and Catastrophic Coverage.

**If you have any questions about this plan's benefits or costs, please contact

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit <http://www.independenthealth.com/medicare> or 1-800-665-1502 (TTY 711) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2022.

Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- Out-of-network/non-contracted providers are under no obligation to treat **Independent Health's Medicare Passport Prime (PPO)** members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information.
